CC Docket No. 96-159

Released: July 26, 1996

COMMISSION SEEKS COMMENT ON PETITIONS FOR WAIVER OF LATA BOUNDARIES TO PROVIDE EXPANDED LOCAL CALLING SERVICE IN TEXAS AND NORTH CAROLINA

The Commission has received petitions from Southwestern Bell Telephone Company ("SWBT") and BellSouth Telecommunications, Inc. ("BellSouth") requesting that it waive LATA boundaries in certain areas of Texas and North Carolina, respectively. On June 25, 1996, SWBT filed a petition for waiver of certain local access and transport area ("LATA") boundaries in Texas, pursuant to Section 3(25) of the Communications Act of 1934, as amended, 47 U.S.C. § 153, to provide two-way, non-optional expanded local calling service ("ELCS") to certain Texas telephone exchanges. Specifically, SWBT seeks to provide ELCS service between the following exchanges: (1) the Pawnee exchange in the Corpus Christi LATA and the Kennedy and Karnes/Fall City exchanges in the San Antonio LATA; and (2) the Albany exchange in the Abilene LATA and the Breckenridge exchange in the Dallas LATA.

On June 28, 1996, SWBT filed a petition for waiver of LATA boundaries between the Hearne, Texas LATA and the Austin, Texas, LATA. SWBT states that a waiver is necessary in order to offer integrated digital service network throughout Texas, by July 1, 1996, as required by the Texas Public Utilities Commission.

On July 2, 1996, BellSouth filed a petition requesting approval by the Commission to provide two-way non-optional extended area service between the following areas: (1) the Raleigh Exchange in the Raleigh LATA, and the Franklinton and Louisburg Exchanges in the Rocky Mountain LATA; (2) the Zebulon Exchange in the Raleigh LATA and the Louisburg Exchange in the Rocky Mountain LATA; (3) the Chapel Hill exchange in the Raleigh LATA and the Saxapahaw Exchange in the Greensboro LATA; (4) the Wilmington exchange, and a portion of the Scotts Hill exchange, in the Wilmington LATA and the Holly Ridge exchange in the Rocky Mountain LATA; and finally, (5) the Apex, Cary and Raleigh exchanges in the Raleigh LATA and the Pittsboro exchange in the Fayetteville LATA.
